IF YOU HAVE COINS FOR SALE —

WE ARE INTERESTED

Our large volume of business makes it necessary to be continually on the search for choice material.

Frankly, there is little in the way of desirable United States coins or currency that we would not be interested in buying.

During the past twenty-five years we have purchased many of the country's outstanding collections and in most cases, it was necessary to compete and pay a better price than our competition.

IF YOU ARE SELLING . . . . .

. . . . WE ARE BUYING !
